

## Regular Board Meeting Report - October 28, 2022

PRRC Members: Kyza A. Callwood, Winona A. Hendricks, Terrence T. Joseph, Shawna K. Richards

UPDATE ON REVISION OD VIBE POLICIES.

Student Discipline Policy – work has been continuing to create a safe, supportive, inclusive & positive policy for learners (Pre K- 12) and adults participating in public education.

- The policy needs to be reader “friendly” since its covers students, parents, and educational personnel
- Clear expectations need to be stated regarding requirements, rights, responsibilities, due process & complaints.
- ***The Community Stakeholder Draft Student Discipline Policy (CSDSDP) needs to go out to AFT, EAA, VIDE, PTA & community individuals. Requests to give input before the Board finalizes draft has been indicated as part of T.E.A. C. H. and EAA professional development conferences. Please review attachment.***
- **The Board needs to review the attachment and approve for November 2<sup>nd</sup> through November 23, 2022 distribution.**

**Motion: To approve the distribution of Community Stakeholder Draft Student Discipline Policy for stakeholder review November 2<sup>nd</sup> through November 23, 2022.**

Final comments.

- *The PRRC would like to see final first drafts completed before the end of December on Student Discipline and the 2 Promotion -Retention policies. This can only happen with the cooperation, interest, and dedication of members.*
- All comments and opinions are valid and should be shared consistently as we move through the process.
- The December 3<sup>rd</sup> Work Session is critically important and Board members should try to attend in person. Communication about attendance with B. Sluss will insure preparation for travel arrangements, meals, and resources in STT.
- At some point in time Attorney Jones will review the documents for legal formatting, sufficiency, and other considerations.
- Any points from research, NSBA, CUBE or other agencies help to make our documents stronger and more viable
- ***Nationally, there is grave concern about READING and MATH decline. We must make sure we address the issues locally.***
